LE CHÂTEAU DE BAZANEIX (CASTLE OF BAZANEIX)

Built in the 14th and 15th centuries, this granite building in Saint-Frejoux stands in the centre of a vast esplanade surrounded by a moat. Feudal in appearance, it comprises two rectangular units flanked by three round towers. Awarded the 'Vieilles Maisons Françaises' grand prix and the Historic Dwelling 'Belle demeure' Award. *US\$1,010,000. www.patrice-besse.co.uk*

FRANCE

CASTLE LYON BEAUJOLAIS

A stone's throw from the prestigious skiing of Monts d'Or, in the heart of unspoilt, undulating Rhône valley, this habited castle is a wonderful example of 17th and 18th century architecture. The yellow stone rectangular building is flanked by three round towers and spans three stories and approximately 7,750 sq ft of living space. *POA. www.patrice-besse.co.uk*

ITALY

GUGLIELMI CASTLE

A spectacular property on the olive tree-covered island of Isola Maggiore on Lake Trasimeno in Umbria. Built in the 1800s on the grounds of a 14th century Franciscan Monastery, Guglielmi Castle is reachable by boat from the Port of Tuoro sul Trasimeno. *The castle is available for US\$19m; or US\$33.4m renovated to 5-star standard. www.hurwitzjamesco.com*
